

Tuen Mun Catholic Secondary School
2023-2024 School Circular Issue No. 10
(Suitable for F.1 and F.2 students)

2nd January, 2024

Dear parents and guardians,

Application for the special exam arrangement, Chinese Cultural Day, Lunar New Year Holiday and English Writing with e-Learning Tools run by SCHOLARS

Please refer to the following items:

1. Application for the special exam arrangements

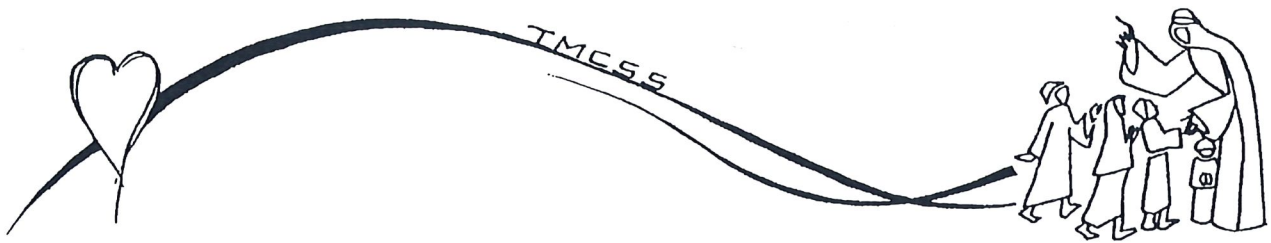

There are two deadlines for the application throughout the whole academic year, so teaching staff will have adequate time to prepare for the arrangement. The deadline for the second term should be on 19th February. Parents who wish to help your children to apply for the arrangement should submit both the application letter and the relevant documents. If the application is over the due date, the exam arrangement will only be handled in the next academic year. Successful applicants will be given the arrangement throughout the same academic year, so re-application is not necessary in the same academic year. If parents decide to cancel the arrangement or some evaluation reports are renewed and the special exam arrangement is not feasible, the arrangement will be done in the next academic year.

2. Chinese Cultural Day

Chinese Cultural Day will be held on 7th February (Wednesday, Day 2). The special timetable will be adopted and the lunchtime is extended from 1:35 p.m. to 3:00 p.m. There are booths at lunchtime for students to get more familiar with the Chinese traditional festivals and activities. Students will attend the afternoon class with learning activities. The school ending time is at 3:50 p.m.

3. Lunar New Year Holiday

The lunar new year holiday will start from 8th February to 17th February. Classes will be resumed on 19th February (Monday, Day 3). Parents are advised to supervise your children to make good use of the time and keep a regular resting time. Parents should also pay attention to their children's activities during the festive moments.

4. English Writing with e-Learning Tools run by SCHOLARS

Our school, Chinese University of Hong Kong and the Standing Committee on Language Education and Research (SCOLAR) run a workshop themed Experiencing 21st Century English Writing with e-Learning Tools. Students will use e-learning tools to boost their writing competence with a theme of social media. 30 Form 1 and Form 2 students are eligible to attend the workshop. Details are as follows

Date: 13th and 20th April, 2024 (Saturday) (2 sessions in total)

Time: 2:00 p.m. – 4:00 p.m.

Venue: Classroom

Enrolled students should attend both sessions. If the number of enrolled students exceed the quota, a draw will be done and students who are not able to attend the workshop will be given a higher priority in other relevant workshops. If you have any questions, you may contact Mr Lai Chi Yuen, our vice principal and English panel head and Mr Lui Kwan Yin.

Yours faithfully,

(Wong Kit)
