1st April, 2025

Dear parents and guardians,

Easter Prayer Service, Sharing session on career paths, Staff Meeting and Japan World Expo Study Tour

Please pay attention to the following items:

1. Easter Prayer Service

Easter is an important day for the Catholic Church as it commemorates the death and resurrection of Jesus Christ. In light of this, the school will be holding an Easter Thanksgiving Mass on 25th April in the afternoon. On that day, we will adopt a half-day schedule in the morning and students are required to return to school at 2:45 p.m. to participate in the ceremony. Students will leave at 3:50 pm. If you have any questions, please contact our teacher in charge Ms Lau Shing Yan. As there is an afternoon activity, the lunchbox reheating service will be continued.

2. Sharing session on career paths

The sharing session is jointly organized by our Alumni Association and Life Planning Committee. There will be small groups in parallel sessions, in which alumni and guests will not only share the criteria and the nature of different industries but also some anecdotes, the keys to success and so on. It will be a good opportunity for students to get more familiar with the future career path. We are delighted to have invited the representative from Rotary Central to share the preparation for entering the work fields.

4. Japan World Expo Study Tour

The World Expo is a global event where participants showcase contemporary culture, technology, and industry, highlighting their positive impacts on various aspects of life. Our school will organize a study tour during the summer, which will include visits to the Expo, local universities, exchanges with local secondary schools, and sightseeing attractions. At this stage, we are gathering initial feedback on the interest of parents and students in participating. Once the arrangements are finalized, the responsible teacher will provide a registration form to interested students.
