

Tuen Mun Catholic Secondary School
2024-2025 School Circular Issue No. 24
(Suitable for F.4 students)

16th June, 2025

Dear parents and guardians,

Exam Paper Review Period, online final exam mark checking, the dropout of elective subjects and summer holiday assignments

Please pay attention to the following items:

1. Exam Paper Review Period

23 June to 25 June are designated as exam paper review period for Form 4 students, providing an opportunity for students to understand their exam performance. The school timetable during these days is as follows:

Date	Time
23 June (Monday)	8:00 - 12:10
24 June (Tuesday)	8:00 – 10:50
25 June (Wednesday)	8:00 – 10:50

The detailed schedule for each subject's review sessions will be posted in the school lobby on the ground floor and uploaded to eClass. Please check it accordingly. Should classes be suspended due to typhoons, heavy rainstorms, or other unforeseen circumstances, the review sessions for that day will be canceled and not rescheduled. Otherwise, the report cards cannot be issued on schedule on 16 July.

2. Online final exam mark checking

After marking and entering the grades on 25 June, an online link for mark checking will be made available on eClass on the morning of 30 June. Students can log in using their personal passwords to check their results. If there are any questions or corrections, students must contact their subject teachers before 12:00 noon on 2 July.

3. The dropout of elective subjects

Form 4 and Form 5 students may apply to drop one elective subject according to their individual needs. Before applying, students should carefully consider their university subject choices and abilities. University admissions and other further education pathways will take into account the weighted scores of applicants' chosen subjects as part of their assessment, so students must deliberate cautiously and discuss their decision with their class teachers and subject teachers. The Vice Principal of Learning and Teaching may arrange to interview students based on their applications for approval.

After the marking review on 25 June, Form 4 and Form 5 students will attend a subject dropout briefing to understand the school's arrangements. Students who wish to apply must complete the application form between 25 June and 7 July, including a letter explaining the reason for the request and a study plan after the elective subject is dropped. They should also reserve time to attend an interview with the Vice Principal of Learning and Teaching on 10 July.

4. Purchase of summer holiday assignments

To help students review and consolidate their knowledge, the school has selected the following practice exercises as summer homework. Regardless of whether students are promoted or repeating their grade, all students are required to complete the summer assignments for each subject. Union New Retail (Hong Kong) Limited will offer these practice books at a special price for sale on 16 July at the lower hall. Students may bring cash to purchase on-site or choose to buy them at other bookstores.

Parents are kindly asked to encourage their children to complete the assignments seriously. The scope of the summer holiday assignments for each subject will be announced later via eClass. Students must submit their completed summer assignments on Registration Day, 15 August. Regardless of promotion or repeating, all students must complete the summer assignments for each subject.

Subject	Title	Publisher	Original Price	Discounted Price
