 2025-2026 School Circular Issue No. 12  
 (Suitable for F.2 students)

19<sup>th</sup> January, 2026

Dear Parents and guardians,

Special Class Timetable, Life-wide Learning Day, Application for Special Examination Arrangements and Payment Notice

Please refer to the following items:

1. Special Class Timetable

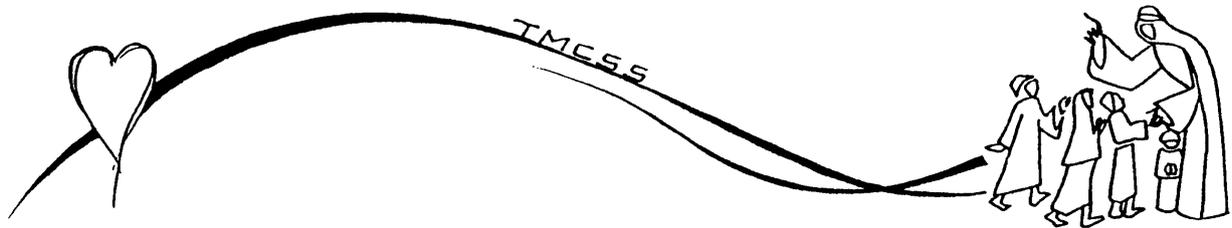

On 26<sup>th</sup> January (Monday) and 3<sup>rd</sup> March (Tuesday), all teachers will attend a meeting in line with school development. On these two days, classes will follow a special timetable, with dismissal at 1:30 p.m. The lunchbox storage service will not be provided.

2. Life-wide Learning Day

In line with the development of interdisciplinary learning to cultivate students' generic skills and subject skills, our school is organizing Life-wide Learning Days for all levels. Details are as follows:

Title	[Chinese Language, Religious Education, and Putonghua Interdisciplinary Learning Activity] Stanley Exploration Walk: Discovering the Scenery and Religious Architecture of Stanley
Description	Positioned as "Stanley's Literature Classroom and Religious Pilgrimage," this activity combines the coastal scenery, historic buildings, market culture of Stanley with various landscapes depicted in literary works. It allows Form Two students to connect literary knowledge inside and outside the textbook during the tour, learn to observe, and experience the relationship between text and real scenes, cultivating literary sensitivity to "careful observation and empathetic understanding," concern for the community, society, and the country; it also provides opportunities to speak Putonghua and enhance a sense of belonging to the country. On the other hand, through the pilgrimage activity, students can feel the tranquility brought by the sacred space within the solemn church. By observing the unique design of the church, students will learn about the development history of the church in Stanley and its dedication to serving local residents.

Time	7:45 a.m. – 1:15 p.m.
Target participants	F.2

Dress code	Neat and tidy Winter P.E. uniform

This activity is funded by the Government's Student Activities Support Grant. Students receiving Comprehensive Social Security Assistance and full grant need not pay the activity fee. Other students receiving the Life-wide Learning Grant only need to pay HKD 100.

3. Application for Special Examination Arrangements

The school sets two application deadlines within an academic year for parents to submit applications, allowing sufficient time for school staff to prepare adjustment arrangements. For the next term, parents must submit the application letter and a valid assessment report on or before 12<sup>th</sup> February, 2026. If documents are submitted after the deadline, the adjustment arrangements will be deferred to the next academic year. Approved arrangements will apply for the entire academic year, so students who have been approved do not need to reapply.

If special examination arrangements are to be cancelled during the term, or if an updated assessment report indicates that special examination arrangements are no longer necessary, the change will still be deferred to the next academic year for implementation.

Parents are requested to place the relevant documents and application in the same envelope, and write on the front of the envelope: 'To Special Educational Needs Coordinator, Ms. Tse Po Yee.'

4. Payment Notice

Regarding the payment items, please refer to Payment Notice No. 5. The payment notice will be provided to parents together with the school circular issued in late this month.

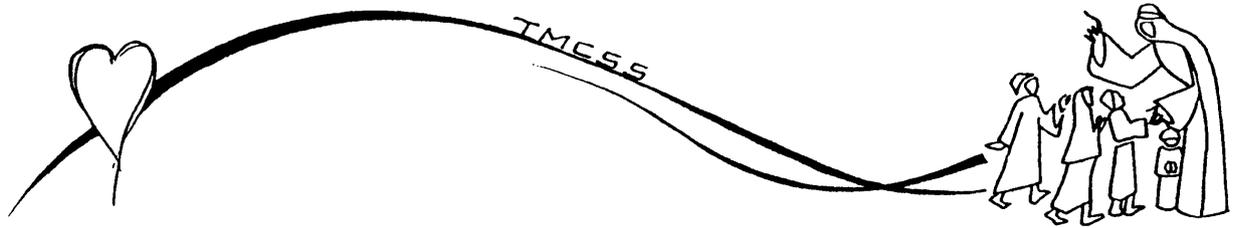

Should you have any questions, please feel free to contact the class teachers.

Warm regards,

Cheng Suk Wah

Principal
