2025-2026 School Circular Issue No. 14  
(Suitable for F.4 students)

3<sup>rd</sup> February, 2026

Dear Parents and guardians,

First Term Academic and Conduct Award Presentation, Parents' Day and Holiday  
and Application for shifting the exam language into English

Please refer to the following items:

1. First Term Academic and Conduct Award Presentation

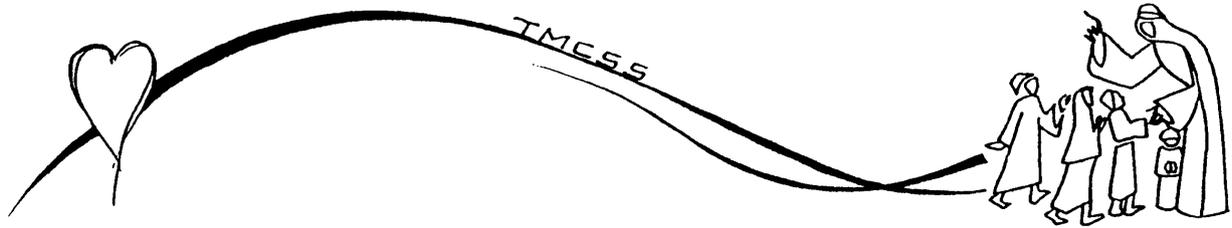

The First Term Conduct and Academic Award Ceremony will be held on 3<sup>rd</sup> March (Day 6) during periods 8 to 9. At the ceremony, awards such as Outstanding Academic Achievement Awards, Subject Awards, and Conduct Awards will be presented to students who have performed excellently in various aspects. It also aims to encourage other students to continue their efforts.

2. Parents' Day and Holiday

The school has scheduled Parents' Day on 8<sup>th</sup> March (Sunday) and sincerely invites parents to come at the designated time on that day to collect the report cards. The class teacher will later inform your child of the meeting time. Please ensure that your child is dressed in neat school uniform to accompany the parents. Besides meeting with the class teacher, discussions about the student's education and life situation can also take place to enhance mutual communication. The day following Parents' Day, 9<sup>th</sup> March (Monday), will be a holiday for the school, and there will be no classes.

To review the current state of school development, the school invites parents to fill out a questionnaire on Parents' Day. The school will use the collected data to promote self-evaluation and pursue excellence.

3 Application for shifting the exam language into English

Parents must notify the school in writing between 16<sup>th</sup> June and 30<sup>th</sup> June regarding the application to change the examination language of subjects taught in Chinese to English. The school will consider the student's overall academic performance, English proficiency, background of the English teaching environment, and grades in elective subjects. The Vice Principal of Learning and Teaching and the subject head will meet with the parents and the student to further discuss the application and the school's approval decision.

Should you have any questions, please feel free to contact the class teachers.

Warm regards,

Cheng Suk Wah  
Principal
