

Tuen Mun Catholic Secondary School
2025-2026 School Circular Issue No. 15
(Suitable for F.5 students)

2nd March, 2026

Dear parents and guardians,

Invitation to Book Fair and Authors Sharing Sessions and Second Formal Test

Please pay attention to the following items:

1. Invitation to Book Fair and Authors Sharing Sessions

Tuen Teen Book Fair is our traditional annual event, in which teachers recommend books and introduce different authors and genres. We aim to nurture students with good reading habits and widen their horizons.

Our theme is 'Books enrich your mind, virtues nourish your life'. Books including Chinese Language, English Language, Language Across Curriculum are available. The books cover topics such as Religious Studies, Literatures, Humanities, Natural Science and so on. Parents are also advised to read books about parent-child communication, information technology, cooking, planting and so on. 20% off is offered to Chinese books and 15% off is offered to English books. There are also books with special discounts.

Parents are cordially invited to come on 14th March and read with your children. If you are not available to come, you are advised to support your children to buy books and nurture their reading habits.

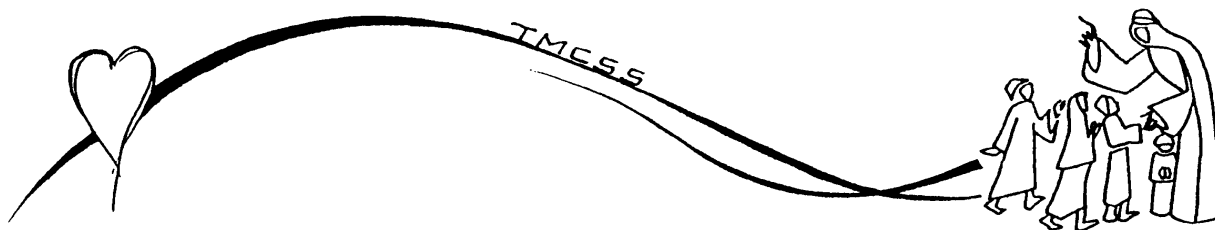

Date: 11th March – 14th March (Wednesday to Saturday)
Time: 8:15 a.m. – 5:15 p.m. (11th March to 13th March, Wed to Fri)
10:00 a.m. – 1:00 p.m. (14th March, Sat) (Session for parents and alumni)
Venue: School Hall

2. Second Formal Test (25th March to 30th March)

In order to assess students' learning progress, our school will conduct two formal tests and two examinations. The second formal test will take place from 25th March 26 to 30th March. Please refer to the attachment for the test schedule. Students can return home to study each day after completing their tests, allowing them ample time to prepare.

We hope that parents will work together with teachers to help cultivate effective time management skills in students. It is important to create a study schedule for the formal tests and adhere to it, reinforcing what they have learned and striving for excellent results. I encourage both parents and

teachers to join hands in motivating our students to work hard and prepare well for the upcoming tests.

The results of the formal test will be distributed on 7th May (Thursday). These results will be included in the students' overall annual performance and will affect their promotion or retention. The school has established a re-examination arrangement for students in Secondary 4 and 5. Students who are on the borderline for retention can apply to take the re-examination in hopes of earning another opportunity for promotion, provided that they meet the required standards.

Yours faithfully,

Cheng Suk Wah
