

Tuen Mun Catholic Secondary School
2025-2026 School Circular Issue No. 21
(Suitable for F.4 students)

15th May, 2026

Dear parents and guardians,

Catholic Teachers' Day, "BYOD Parent Sharing Session" and Transition of Mobile Device Management (MDM) System, Suspension of lunch and extra-curricular activities, Final Exam and Staff Development Day

Please pay attention to the following items:

1. Catholic Teachers' Day

Catholic Teachers' Day will be held on 18th May (Monday). All students will not have to go to school.

2. "BYOD Parent Sharing Session" and Transition of Mobile Device Management (MDM) System

To keep pace with the development of e-learning, our school has been committed to enhancing teaching and learning effectiveness through the "Bring Your Own Device" (BYOD) program. To ensure a more focused and secure digital learning environment for our students, the school will soon replace the existing Mobile Device Management (MDM) system and simultaneously revise the relevant Acceptable Use Policy.

To help parents gain a deeper understanding of the arrangements for this system update, its impact on students, and how parents can provide support, we are organizing a "BYOD Parent Sharing Session." We cordially invite you to attend. The session will be conducted via Zoom online video conference.

Date: May 20 (Wednesday)

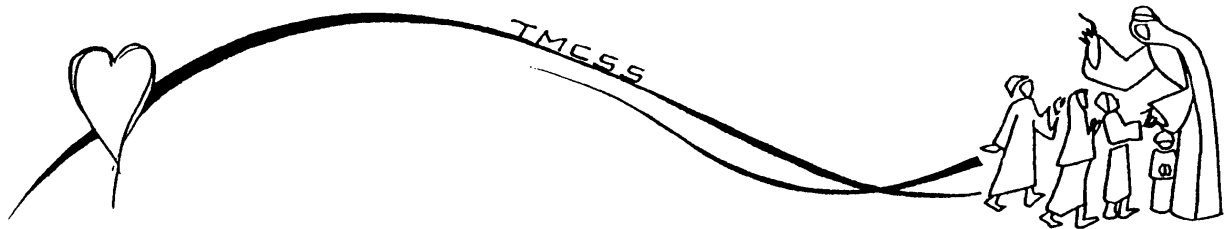

Time: 7:00 PM – 8:00 PM

Login Information: The meeting link, ID, and password will be distributed later via eClass and school email.

Sharing Session Highlights:

MDM System Transition: The school will adopt the new ESP MDM system to replace Cisco Meraki, which is exiting the market.

Revision of the "Acceptable Use Policy (AUP)": Updates to the guidelines for responsible device usage.

iPad Collection and Reset Process: * Instructions on how students should pre-emptively back up their data (ensuring sufficient iCloud storage).

The complete workflow and timeline for the school to collect iPads in batches for data wiping and installing the new system.

Introduction to ESP MDM and Apple Classroom: An overview of how the new system assists teachers in managing devices effectively during class (e.g., App whitelisting, tablet locking, etc.) to ensure students remain focused on their studies.

3. Suspension of lunch and extra-curricular activities

To prepare for the end-of-term exams, all lunch activities and extracurricular activities will be suspended from 21st May (Thu) until the conclusion of the exams. Students may use the library or the lower school hall after school for doing revision. Under the guidance of teachers, students must leave the campus by 6:00 p.m.

4. Final Exam

The final exam will take place from 4th June to 15th June. Please refer to the exam timetable as attached. Students are advised to better allocate the revision time and make good use of the coming holidays.

The exam marks will be a part of the annual score and the decision of whether the student can get promoted and the class allocation. If students do not meet the requirements, they have to retake the exam or repeat in the coming academic year.

5.. Staff Development Day

Staff Development Day will take place on 3rd June (Wed) and there will be no classes for students. Parents are kindly reminded to encourage their children to study diligently in preparation for the final exams.

Regards,

Cheng Suk Wah

The reply slip should be submitted by 20th May.

Student Name: _____ Class: _____ Class No.: _____

2025-2026 Reply Slip for School Circular Issue No. 21
(Suitable for F.4 students)

Dear Miss Cheng,

1. I am well informed of the above information.
2. "BYOD Parent Sharing Session"
 I will attend the event.
 I am unable to attend the event.
