3. Submission of Supporting Documents for Eligibility of Education Bureau Activity Subsidies or Grants

The previous school circular mentioned a survey on Education Bureau activity subsidies or grants. Families receiving Comprehensive Social Security Assistance from the Social Welfare Department are required to submit the relevant supporting documents to facilitate the school's processing of subsidy applications. If the relevant documents are not submitted, the school will assume that the family is not receiving Comprehensive Social Security Assistance from the Social Welfare Department.

4. Club Activities

Club activities will officially commence on Wednesday, 23rd September (Day 2). Please remind your child to check eClass and pay attention to the morning assembly announcements to confirm their club membership. As some clubs require interviews, please remind your child to keep track of upcoming activity updates.

5. Revision of Secondary Three Curriculum

Our school has been optimizing its school-based curriculum to catch up with the development of Digital Education and STEAM curriculum. The junior secondary STEAM curriculum will be fully implemented in the 2026/27 school year. Combining hydroponics with elements of Science and Community Care, the new Secondary 3 STEAM course will replace the Technology & Living course. This initiative aims to better prepare Secondary 3 students for choosing their senior secondary electives and planning their future careers.

6. Payment Notice

Regarding payment items, please refer to Payment Notice 1 for details. The notice was distributed to parents together with this circular at the beginning of the month.

For any inquiries regarding the above matters, please feel free to contact the class teachers.

Yours faithfully,

Cheng Suk Wah
Principal
