

The Units for the Curriculum

The curriculum is designed to cover the key ideas of science, as well as the social and technological implications of science. Each Unit allows students to explore and investigate a specific theme in Science.

The Units for S1 and S2 are listed below:

S1

Unit 1: Introducing Science

Unit 2: Water

Unit 3: Looking at Living Things

Unit 4: Cells, Human Reproduction and Heredity

Unit 5: Energy

Unit 6: Matter as Particles

S2

Unit 7: Living Things and Air

Unit 8: Making Use of Electricity

Unit 9: Common Acids and Alkalis

Unit 10: Sensing the Environment

Unit 11: Force and Motion
